

BALLYMENA ACADEMY OLD PUPILS' ASSOCIATION

The above Association was formed in January 1924, and has been well supported by former pupils of the Academy.

The aims of the Association include:-

- (a) The keeping of all former pupils of the Old School in touch with each other and with the School.
- (b) The fostering and development, on the social side, of that feeling of comradeship which education at the same school tends to give.
- (c) The promoting of an interest in the future work and development of the School.
- (d) The stimulating among present pupils of a feeling of esprit de corps and pride in their School which has such a beneficial effect on character and conduct.

The activities of the Association include an Annual Dinner and other occasional social events. A Badminton Club and Golf Section have also been formed in connection with the Association. Copies of the School Magazine may be obtained by members on request at the present price of £5.00 per copy.

It is important that an Association such as this, in order to maintain its vitality, should admit a substantial number of new members each year; and so in forwarding this application, the Committee formally invite you to become a member, and will always be glad to welcome you to take part in any of the above activities.

Membership is open to all former pupils of Ballymena Academy and of the Grammar School, High Street. Teachers, past Teachers, Governors and Past Governors of the School may become Associate Members under the same conditions as past pupils.

Life membership is £15.00 (or £10.00 if joining within one year of leaving school).

If you wish to become a member, please complete and return the attached slip with your subscription to the Hon Treasurer, Old Pupils' Association, Ballymena Academy, Ballymena, BT42 1AJ.
