**Females of the Future - PWC**

**Females of the Future is an event that is designed to inspire and support girls to navigate potential career opportunities with us.**

The day-long event (10am-3pm) is open to Year 12 and Year 13 students (lower sixth). Held at a PwC office it will consist of a series of fun activities with guest speakers, a healthy and tasty lunch, and the opportunity to ask lots of questions in a relaxed environment, allowing students to learn more about what it's like working at PwC.

The students will be inspired by one of our leaders, we'll help them to develop confidence and resilience, and understand their skills and values and how they could relate to their future career. Finally, we'll share with the students our focus on diversity and why it matters to us.

**When is the event taking place?**
