

# In Year 8 Religious Education I will study . . .

You will study the Bible as a library and as the word of God. You will look inside the Bible to see what it says about itself and will compare different translations that Christians use today. You will also find out what famous Christians think about the Bible such as Destiny's Child.

You will look at Abraham as the founder of Judaism. You will understand the three promises that God made to Abraham. You will learn the meaning of a covenant and study how God asked Abraham to sacrifice his son, Isaac.
