

Helping Your Pupils Engage with the University of Aberdeen

The University of Aberdeen will be participating in or hosting a **series of virtual events** over the next few months, and we are keen to share details of these events with you. Pupils in all year groups are invited to join us for virtual sessions as we look ahead to the summer term and support students preparing for their UCAS applications in the new academic year.

We currently have availability for talks and potential in-person visits into the summer term. Any visits would be subject to government and University guidance at the time. Please let us know about any UCAS days, careers fairs, etc, that you are planning and we would look forward to attending where possible.

We hope that these events and visits will allow pupils the chance to ask any questions they may have, helping them to feel ready to apply to University for September 2022 entry, or simply find out more about their Higher Education options if still considering future pathways.

We hope to welcome you and your pupils to some of these upcoming events and look forward to visiting schools again as soon as we are able!

Upcoming events and updates from the University of Aberdeen

Unibuddy Chats for Offer Holders and Enquirers Various dates, April-July 2021

We will be running a number of Unibuddy live chat sessions throughout the coming months. Students who hold offers to join us in 2021, or enquiring students for 2022 and beyond, are invited to join us at these events.
