Interview Skills Preparation for Students Applying to Nursing/Midwifery

Saturday 9th January 2021 & Saturday 20th February 2021

In light of COVID-19, our main responsibility at Kingsbridge Training Academy is to keep our delegates safe while attending our courses. The **Interview Skills Preparation for Students Applying to Nursing and Midwifery** course will now be delivered via a **Webinar in ZOOM**, to reduce COVID contact.

As many university interviews will now take place virtually, this preparation course will give delegates the opportunity to have the first-hand experience in an on-line interview. Our faculty will be socially distanced in the Academy and delegates will log on from the comfort of their own homes, the day will be coordinated entirely by one of the Kingsbridge Training Academy team. The day will run as normal with lectures in the morning and interviews in the afternoon.

This course aims to effectively equip students with the insight and practical preparation that they need, and can bring with them, when going forward for their nursing or midwifery interview. All students will spend the afternoon participating in mock interviews where they will receive individual feedback on their answers.

Course Content

- Preparing for an Interview: How to present yourself and your strengths
- Nursing as a career
- Role play and group discussion
- Ethical Scenarios
- Current "Hot Topics"
- Mock interviews – Multiple Mini Interviews

Price: £114.00
(inc. VAT and materials)

Time:
9.30am – 2.30pm
