Year 9 French Big Picture

- You will have 7 classes of French across Week A and B.
- You will continue to learn, practice and develop the 4 language skills of speaking, reading, listening and writing which you started in Year 8.
- So…….in the classroom you will be speaking in French, listening to French, reading French and writing in French.

To help you learn French and develop your language skills you will use the following resources which you must bring to each French class:

- Studio 1 Textbook (provided in classrooms)
- Studio 1 Workbook
- 3 blue lined exercise books
- A plastic folder for your French resources

Your teacher will also set up a French Google classroom for your class.

First, you will revise some of the French you learnt in Year 8 as set out below:

- Greetings
- The alphabet
- Counting to 31
- Days of the week
- Months of the year
- Birthdays
- School bag objects
- Likes and dislikes
- Hobbies
- Colours
- Animals

Then you will develop your French and learn lots of new words and phrases for the following topics which are covered in Modules 1 to 4 of Studio 1 textbook.

- Likes and dislikes
- Survival kit
- Describing yourself
- Describing other people
- School subjects
- Your timetable
- Your school day
- Food
- Computers and mobiles
- Sport
- Hobbies and activities
- What you do in your free time
- Describing what other people do
- Extreme sports
- Your town or village
- Directions
- Where you to at the weekend
- Inviting someone to go somewhere
- What you can do in your town
